All sounds are royalty free. All sounds are original.

All sounds are mixed professionally leaving enough headroom with no digital clipping or peaking levels.

All sounds are in 24bit/44.1kHz WAV format.

Compatible with any DAW software programs.

### **TERMS**

All sample packs and drum kits are 100% royalty free. The contents of each kit are licensed royalty free, not sold to you by Beat Batter. Ownership and copyright remains with Beat Batter. Copying, duplicating, lending or re-selling our products and their contents, in whole or in part, is strictly prohibited.

Beat Batter, the owner of these products, reserves all rights. Unauthorised duplication of downloads is a violation of applicable laws.

All purchases are final and no refunds may be issued under any circumstances.
